

Download Derelict London

This is not a compilation of familiar tourist sights, as another of those is hardly needed, but a depiction of an (often un-picturesque) view of everyday life in London. Rather than lumping all these pictures in with the Derelict London Sports Grounds here is a whole new section (of grounds that are beyond dereliction and mostly ...). Inside Doughty House, the £100m derelict London house once home to the world's most expensive painting. Spotted an empty or derelict property in your neighbourhood? Want to do something about it?
