

Download S40 Engine Swap

2002 Volvo s60 engine removal ... Timing belt replacement, P2 Volvo S60, V70, XC90, S80, V50, S40, V40, etc. - VOTD - Duration: 14:48.i have just finished an engine swap for a 2000 S40. Yes u can take the engine out from the top, it will b a little tight, have to loosen or remove the top tranny ...just customer car. We decided not to pull a customers engine or transmission ever again.. just everything else. Stay tuned for engine startup.engine swap - Can I replace a B4204t2 VIN 25with a B4202t2 with VIN 27 or 29? (6th & 7th) in the vin code.
