

Download Turnkey Transient Solutions

Fast measurement solutions (transient recorders) optimized for transient signals, high voltages, long distances, as well as fiber-optic isolation and shielding ...????Vicor designs and manufactures high efficiency power supply systems. Custom solutions, AC-DC and DC-DC converters for modern power requirements. Bespoke filtered connector solutions for Electromagnetic Compatibility EMC, EMI, RFI & Transient Voltage Suppression TVS including lightning protection. MDL Technologies supply Electronic Test Solutions, Systems & Equipment for a variety of sectors including EMC, RF, Microwave, Wireless & Electrical Safety.
